HOMEOWNERS HAVE BEEN SOLD OUT

by the "5"

**Commissioners Amos, Mills, and Tam, and
State Legislators Hamilton(house) and Murphy(senate)**

The Feb 20th Castleberry Road widening vote was a sham - - - It hurt all homeowners!

IT WAS THE OLD POLITICAL POWER GROUP AGAINST THE HOMEOWNERS.

CRONYISM AND SELF & SPECIAL INTEREST'S WON (this time!)

The "5", AMOS, MILLS, TAM, HAMILTON, & MURPHY

PROVED AGAIN THEY ARE

PRO-Developer & City/Mayor Advocates; they don't care that

<> 1000 Castleberry families will be hurt with 18 wheelers rolling by, or,

<> Thousands of homeowners are stuck on gridlocked roads 40 to 70 minutes/day

Their actions say: "you homeowners don't matter - -
send all the hundreds of "foolish" emails you wish, we will do what we wish
to satisfy our own and our special interests' goals!"

THEY CARE NOT FOR THE HOMEOWNER

"REMEMBER CASTLEBERRY" WHEN YOU VOTE!!
